Midterm Rules

- 1) Do not be late for your midterm. If you arrive to school late, you will not be allowed into the exam room.
- 2) No phones, no music, no headphones, no laptop during the exam. You may listen to music on your headphones and use your laptop *only after* you have finished and turned in your exam.
- 3) You may not leave the room during the exam period. Be sure to go to the bathroom and have something to write with and a calculator before the exam begins.
- 4) You may have one double-sided “notecard” to use on the exam. It can be up to a standard 8.5”x11” piece of paper but no larger. You must turn this in with your exam when you are finished.
- 5) You must be SILENT for the entire midterm period. Even if everyone is finished with the exam before the period is over, you must still be silent for the neighboring classrooms. Anyone that cannot be silent will be sent to the main office.
- 6) You will not be given additional time to finish the exam. You must finish during the exam period.
